

Celebrating 10 Years of God's Faithfulness

Teacher Eliza's favorite quote " My God is so Big" holds true to her life as she receives a BIG blessing from God. She is this year's recipient of the Faculty Loyalty Award for her ten years of dedicated service to the school.

It was in June 16, 2000 when SSFI first felt the presence of this BRE (Bachelor in Religious Education) graduate, being the C.E. teacher for grade one students. Teacher Eliza's first four years of stay at

SSFI was like a roundabout. Aside from teaching in the primary level, she got assigned in the preschool as an assistant teacher and eventually became a librarian for two years. It was only in 2004 that she started teaching Filipino subject and has become a class adviser, a position she still holds at present.

With all these, she only has Jeremiah 29:11 as her guide, "Everything that happened to me and soon to happen is part of God's great plan for me- plan to prosper me and not to harm me, plan to give me

hope and a future."

Congratulations

Mrs. Eliza T. Sanchez!!!
