

# A SEASON FILLED WITH HOPE: THE SSFI CHRISTMAS MUSICAL

SSFI observed the Christmas season by holding a Christmas Cantata last December 3, 2010 at the International Baptist Church (IBC) Sanctuary.

With an audience of 250 people, the Young Psalmist Choir wowed everyone by their sterling performance thru the musical entitled "A Season of Hope" that tells of the search for the brightest yet worthiest star that will shine over the stable where Jesus will be born.

The event was made particularly special by the participation of the whole populace of SSFI.

Apart from the Young Psalmist Choir's involvement, students from Beginner Prep up to Grade Six presented vibrant song or dance numbers, whichever was assigned to each of them. What added to the delight of the audience was the special dance number presented by the groups of Filipino and Indian parents, and a song number by the Soli Deo Choir of IBC.

The working committee of Teachers Jonel, Precious & Liezel reaped its fruit as it surely brought blessings to everyone's heart for it showed the real reason for the season.
