

# TEAM NXT GEN GOES TO MALACAÑANG

The SSFI Robotics Team headed to Malacañang last January 13 to make a courtesy call to none other than His Excellency President Noynoy Aquino. This is in relation with the team's sixth rank in the World Robotics Olympiad (WRO) held at the Mall of Asia last November. In addition, the team bagged the Most Popular Robot among the 22 countries that participated in the said competition.

The team was composed of John Faust Turla (Gr.6), Moses Joi Floresta (Gr.6) and Gabriel Cortez (Gr. 5) with Teacher Jonel Rubio as coach. Their masterpiece showcased the Filipino tradition of celebrating fiestas.

The school sent two teams that competed against six other schools. The other team was composed of John David Sace (Gr.6), MJ Tangco (Gr.6), and Yoel Reyes (Gr.5) with Teacher Albert Balanza as coach.

Previous to the WRO event, SSFI joined in the Philippine Robotics Olympiad held at SM North EDSA in September 2010 where the school's entry placed third.
